

Everglades Resorts Rules and Regulations 2019-2020
Adopted at 2019 AGM held August 18, 2019
(Adopted amendments are in **bold underlined** type.)

In addition to the terms and conditions binding on Owners as set out in the User Agreement and in accordance with paragraph 1(f) of the User Agreement, the Owners Association of Everglades has adopted these Rules and Regulations. Neither Everglades Resort nor the Management Board nor the Everglades Resort Owners Association will be responsible for any loss or damage of property of Owners, Renters or Guest. All facilities and amenities are to be used at your own risk.

A. GENERAL:

- A-1 Within two weeks of becoming an Owner, an Owner must provide the Management Board with copies of their registered title, a contact telephone number and mailing address. The new Owner will be responsible for any outstanding monies owing and or any deficiencies pertaining to the User Area.
- A-2 Owners, Renters and Guest shall comply with the Rules and Regulations of the Resort. The Management Board will notify the User Area Owner of any violation of the Rules and Regulations and the action to be taken to correct the violation.
- A-3 Between General Meetings the Management Board may make changes, in the Rules and Regulations, which are in the best interest of the Owners, Renters and Guests. Such changes shall continue in force and effect until the next Annual General Meeting or the next Extra-ordinary General Meeting at which time such changes shall be voted on to determine their continuation or removal from the Rules and Regulations.
- A-4 All common operating expenses are payable to the office on Jan 20 or three post-dated cheques, dated Jan 20, March 1, and May 1. Handling Charge of \$25.00 will apply to any cheque returned dishonoured. At the end of thirty (30) days period of non-payment, the total monies shall be collectable. Applicable interest shall be charged on all accounts overdue more than thirty (30) days. Accounts over 90 days in arrear will be assessed an additional Service Charge of \$50.00 per month until paid in full. The Management Board is permitted to extend the due date up to 90 days on compassionate grounds. Collection and enforcement will be regulated to the fullest extent possible. Hydro service and gate access will be disconnected without warning to any owner who doesn't pay Operating Fees by scheduled payment dates as stated on the Operating Fees invoice. Owners of multiple User Areas, lose User Area privileges for all User Areas, if any of the User Areas are in arrears.
- A-5 Extended usage shall be assessed an annual fee of \$150.00 per User Area. Extended usage is for immediate family of the Owner (see Rule B-5) only, (mother, father, brother, sister, son, daughter, grandchildren, or grandparents) and is deemed to be any utilization outside of the seasonal period. Only seasonal rentals (seasonal period is May 1 to September 30) are permitted. Grandfathered User Areas available for full time rental shall be assessed an annual fee of \$200.00. Seasonal rental use over 140 days or Owners use of 180 days or more will be assessed \$150.00.
- A-6 User Area Owners are responsible for persons, whom they have invited into the Resort, working on, occupying or visiting their User Area, or using any portion of the User or Common Areas at all times. The Management Board has the right to deny access to any Owners' guest, renter or their guests whose actions are deemed to be threatening, cause excessive noise, or which are a nuisance, annoyance, disrupts the quiet enjoyment of neighbouring User Areas or who are in violation of Park rules and regulations.
- A-7 This is a Flood-Zone area. In the event of such occurrence, the Management Board is not responsible for providing accommodation, removal or loss of personal property of Owners, Renters or Guests.
- A-8 Use of the common area fire pits is permitted on the basis that a User Area Owner must be present and campfires must meet Provincial Campfire regulation size of .5m x .5m (18"x18") diameter. Fire must be extinguished and area cleaned up after use. Use of common areas by individual owners must have Board approval. Private use of stage, music must be turned off by 11:00. Private use of Rec Hall, music must be turned off by 12:00 and vacated by 1:00am.
- A-9 Use of fireworks are permitted, must have proper official permitting, be set off in an organized, supervised and Management Board approved area. Potato guns are not permitted in the Resort.
- A-10 Any Owner or Owners guest who tampers with any Resort property or infrastructure will be subject to immediate disconnection of services, a \$1000.00 fine and all costs associated to repair or reinstate infrastructure to original condition. Disconnected services will be reinstated after all fines and costs are paid in full.
- A-11 Any Owner or Owners guest using the exit gate to enter the Resort or entry gate to exit the Resort will be fined \$100.00 for first violation and \$300.00 for each additional violation.

B. SALE AND RE-SALES OF USER AREAS:

- B-1 Owners of User Areas, their agents, or realtors must advise potential purchasers that Everglades Resorts (lower park) is zoned TC (Tourist Campsite), is on a flood plain, and any or all services may be interrupted at any time, for any length of time in the event of an emergency or situation deemed necessary by the Management Board. Owners must inform the Management Board, in writing, prior to the sale of their User Area (s) and request the completion of a Pre-sale Inspection which will be completed and provided to the Owner, on the prescribed form, within ten (10) clear days of the request. Nothing in this rule shall prevent the Owner from selling the User Area. Any new User Area entitlement purchasers, excluding sale/transfers to existing User Area Owners immediate family (mother, father, brother, sister, son, daughter, grandchildren or grandparents) and excluding purchases by Owners on title on September 29, 2013, the new Owners as of September 29, 2013 cannot remain in the Resort on a full time basis. Existing Owners on title on September 29, 2013 will have their full time use transferred to the new User Area entitlement purchase. Allowable usage from November 1 to March 1 will be up to 10 days in each month on weekends only without Management Board approval and unlimited usage March 1 to October 31.
- B-2 Owners must make agents, sales representatives and/or prospective purchasers aware of Rules and Regulations, and declarations of the User Agreement, prior to completion of sale and specifically Rules K-1, B-1, B-5, B-6, I-3.
- B-3 Resale of User Area does not include Management Board approval of pre-existing RV's or structures. New Owners must make application and submit plans to the Board for approval for the RV, structure, cabin and landscaping. A new Owner will be responsible for all work unfinished, and any upgrading required by the Board, work to be completed within 90 days of taking Ownership.
- B-4 Management Board is not responsible for any omissions, misrepresentations and/or errors made by any agent, sales representative or Owner.
- B-5 Owners who sell a User Area(s) are required to provide the Management Board with registered land title documentation showing a purchaser has, or will have under the agreement, a minimum 49% interest in the User Rights to Possession of a User Area. Notarized copies of ALL documents in the sale shall be provided to the Management Board within fifteen (15) days of the Date of the Agreement or Contract. Non-compliance will result in a purchaser being deemed a renter and must abide by seasonal rental rules. Under the User Agreement, the Management Board, in its sole and unfettered discretion, has the right to rule whether sales documents are intended to convey the Right, Title, and Interest in the lands and User Rights or to otherwise circumvent Rules within the Resort. The latter shall be deemed inadmissible and non-compliant.
- B-6 User Area Owners shall make available to the Management Board, within thirty (30) days of receiving a request for same, copies of any documents that may be requested to ascertain ownership, title or encumbrance relating to the User Area.
- C. RECREATIONAL VEHICLES:** (includes travel trailers, park model trailers (excludes 12'), motor homes, 5th wheels and pick up campers)
- C-1 Prior approval, in writing, must be obtained from the Management Board before bringing an RV unit into the Resort. All permission is granted solely on the basis that the other Rules and Regulations are met, including those of the Fraser Valley Regional District.
- C-2 Only one RV or one existing cabin is permitted per User Area
- C-3 Any RV unit being brought into, relocated within or has a change in ownership in Everglades Resort, other than as a temporary visitor/guest unit, to be placed on a User Area, shall be a maximum of twenty (20) years or newer, have a current propane gas certification, valid unit insurance and be in a condition, that in the Boards opinion, does not detract from the general appearance of the Resort. At the discretion of the Management Board a pre-inspection may be required prior to approval being granted. Twenty (20) year or newer trailer rule exemption for change of ownership to immediate family member (mother, father, sister, brother, son, daughter, grandchildren or grandparents) upon death of User Area owner. Owners selling a User Area with a RV unit older than 20 years, may apply for a review of the RV unit by the Board and a non partisan panel, for an exemption to the 20 year rule providing the RV has been covered by an awning for the previous 15 years. No rentals are permitted for User Area with RV unit that doesn't comply to the 20 year or newer rule.
- C-4 RV's must be self-contained.
- C-5 Placement of RV's and mobile homes on User Areas and the height, to which they may be raised, must be approved in writing by the Management Board. All raised trailers and decks must be skirted and meet Resort standards. RV's or awnings are to be within 3 feet from the User Area boundaries, and must be a minimum of seven (7) feet from the waterfront.
- C-6 Multiple User Area units: An Owner having two adjacent sites may position an RV so that it crosses the User Area boundary. However, where a boundary is crossed, the Owner may only have one RV for the two combined User Areas.
- C-7 All RV's within the Resort must comply with the following: Water and sewer hoses must be securely fastened to prevent leakage. Any connection existing for more than 180 days, sewer connection must be solid pipe with rubber couplers; no flex hose connections are permitted. Water lines must be disconnected and drained during winter months. All costs to repair all damages as a result of frozen water lines will be assessed to the User Area owner. Current propane gas certification and valid unit insurance must be in place. Electrical hook-up to pedestal service must meet code requirements. Exposed water lines must be insulated against freezing.

- C-8 Maintenance, repairs and improvements to RV's or user area shall be made to keep them in good condition. No Owner, Renter or Guest shall allow any portion of an RV or user area to become unsightly or to fall into a state of disrepair or otherwise create a displeasing appearance. RV's must be adequately painted or otherwise finished. All improvements shall be completed within 90 days of commencement.
- C-9 Campers must remain on a licensed vehicle. They are not permitted to be set up on jacks or remain permanently on any User or Common Area.
- C-10 RV's of inadequate appearance or excessive age cannot remain on the Resort and must be removed. No converted buses or homemade RV's are allowed in the Resort.
- C-11 The placement of tarps is permitted from Oct 1 to May 1, plastic sheathing or plexiglass sheet shrouding for deck protection from the elements, is permitted October 1 to June 1. No other form of shrouding is permitted. Any Owner not removing tarps from RVs by May 1 or deck winter protection material by June 1 will forfeit their right to use winter protection material in future years, will have to apply to have the right reinstated and \$25.00 per day fines will be charged. Owners may use a large storage tent within their User Area boundary for winter storage only, from October 1 to May 1.

D. CONSTRUCTION AND LANDSCAPING:

- D-1 Any new construction, improvement, addition, alteration of any awning, building, wall, wharf, fence, other structure, excavation, filling or tree removal is subject to approval, in writing, by the Management Board prior to the commencement of work. All exterior work must be completed in all respects, including painting, within ninety (90) days of commencement. Application requests are not valid after 6 months if work not started. Any unauthorized work will be subject to fines of \$1000.00.
- D-2 Applications for approval of work must be on the prescribed form, have a footprint drawing to scale, elevation drawings showing all relative measurements and description of materials to be used.
- D-3 Approvals will not be issued to a User Area, which has a prior Approval that is not in compliance with the Rules and/or where the User Area is more than 30 days in arrears for any amounts owing to the Resort.
- D-4 Existing cabins may continue to exist and must be maintained. Improvements cannot expand original footprint.
- D-5 All new construction, improvement, addition or alteration of any awning, building or other structure must be within 3 feet from the User Area boundaries, and must be a minimum of seven (7) feet from the waterfront. Clearance from Hydro poles must be a minimum of three (3) feet.
- D-6 Fences may be constructed with prior approval from the Management Board, as to location and construction. Fences to be a maximum 4 feet in height if solid panel, earth colour tones and must be a minimum of seven (7) feet from the waterfront, a 4' panel with 12" lattice fence or landscaped hedges are permitted, as long as they do not obstruct "the view". Where "the view" is the subject of a reasonable complaint the hedge shall be trimmed and maintained at a maximum height of 4 feet. All height measurements, for this Rule, shall be taken from the level of the User Area as established by the original developer.
- D-7 Trees considered dangerous to a User Area may be removed by the Management Board and the costs passed on to the Owner. No trees shall be removed without prior written approval of the Management Board. Any large trees being removed from a User Area must be done by a licensed arborist.
- D-8 No antennas or other devices for transmission or reception of TV or radio signals shall be erected or used outdoors without prior written approval of the Management Board. Satellite dishes are permitted up to a maximum of 24 inches in diameter.
- D-9 Each serviced User Area is provided with a 30 amp electrical service. All meters are the property of the Resort. Meters can only be moved or installed by park maintenance personnel. Meters must be no more than five (5) feet above ground level.
- D-10 Hot tubs and individual swimming pools, with the exception of a small children's wading pool, are not permitted within Everglades Resorts.
- D-11 Quality of construction must be to a generally accepted carpentry standard. Failure to meet this standard may result in a Stop Work Order with a requirement to remedy deficiencies or a Dismantle Order.
- D-12 From April 1 to October 1 all User Area's grass must be maintained at a height of less than 6 inches. Where the grass on any User Area is found to be in excess of 6 inches, during the above noted period, the Management Board may without notice, have the grass cut and in such occurrence the User Area Owner shall be billed a minimum of \$25.00 for each cutting.

E. USER AREA MATTERS AND OWNER'S RESPONSIBILITIES:

- E-1 The Owner of a User Area must advise the Management Board when renting out their User Area. For Management Board approval of the Renter Acknowledgment form the Management Board must be in receipt of a completed Renter's Acknowledgement Form and meet with prospective renter prior to renter occupying the User Area. The Owner must provide the Management Board the renter's phone number, employment information, number of adults, children, pets, and vehicle information. Owner must provide Renter with a copy of the Rules and Regulations. Seasonal rentals only from May 1 to September 30 are permitted. Any User Area used for rental purposes must have a storage shed, be fenced if User Area perimeters are not clearly defined and RV unit must meet 20 year or newer rule. (Moved from E8) -Renters must have a certified RV unit that is insured, gas certified and meets the Resort RV age rule. Renters are allowed one RV unit and up to two vehicles only. Owners who rent their User Areas for seasonal rental purposes, the Owners privileges and their renters privileges (i.e. hydro, gate access) will be suspended for one year for Resort Rule violations. Renters deemed unfit for the general purpose of the Resort at the discretion of the Management Board will have their RV units removed from the Resort at the User Area owner's expense. Hydro and gate access will be immediately disconnected for any renter who remains in the Resort past the seasonal rental period.
- E-2 An Owner, Guest or Renter shall not be entitled to claim any compensation from the Management Board, or the Resort, for any loss or damage to the property or person of the Owner, Guest or Renter arising from any defect or want of repair to the Common property or any part thereof.
- E-3 User Areas shall be kept free of debris and litter at all times. No fridges are permitted in open areas. No items or equipment not suitable for outdoor use shall be kept in open areas. Wires or ropes are not allowed for User Area clotheslines. Umbrella-like clotheslines are permitted. User Areas which do not comply with a "Clean Up Order" within 30 days of notice, will be referred for clean up, by an independent contractor, at the Owners expense.
- E-4 No User Area Owner shall do or permit to be done anything on his/her User Area that is **disrespectful, a nuisance, an annoyance, causes excessive noise or disrupts the enjoyment of other User Area Owners.** External use of equipment such as radios, TV, Tape/CD players, musical instruments, saws, lawnmowers, etc., shall be restricted to between 9:00 a.m. and 11:00 p.m. with reasonable allowances of 1:00 a.m. made for weekends and statutory holidays. No loud live amplified music with the exception of Board approval. The Management Board maintains the right to immediately disconnect services and terminate all User Area privileges to Owners who violate this rule.
- E-5 Under no circumstances will minors (BC law says under the age of 19) be served or allowed to consume liquor in or on any part of the Common Areas of the Resort. All parents and guardians shall be responsible for the conduct of their children and must ensure observation of the Resort Rules.
- E-6 Owners may purchase electronic gate controls for a fee determined by the Management Board. Owners are responsible for gate controls. Owners must purchase gate controls for their renters. Management Board must be advised of lost or stolen gate controls. Unauthorized gate controls will not be programmed. Upon sale of User Area all clickers are deprogrammed and must be reinstated by new owner.
- E-7 Household garbage is to be kept in covered containers. NO non household garbage, furniture or large items are to be deposited around or into the dumpsters. All boxes must be crushed.
- E-8 No tents or temporary guest RV units allowed longer than 14 days per calendar year, while User Area Owner is on site without prior written approval from the Management Board. Tents and RV units must be situated within the User Area boundaries. Common Areas cannot be used for parking, camping, or erecting tents without prior approval from the Management Board.
- E-9 No unattended open fire, no burning of plastic, rubber or material causing excessive smoke that will interfere with the enjoyment of other User Area Owners is permitted. Campfires must meet Provincial Camp Fire regulation size of .5mx.5m (18"x18" diameter). Fines of 100.00 for unapproved fires during a Fire Ban.
- E-10 Owners are required to comply with lawn watering/sprinkling restrictions posted by the Management Board. Pressure washing is restricted to weekdays only in the months of July and August.
- E-11 No Owners may supply services from their User Area to an Owner of a User Area that is in default and the User Area services have been disconnected and privileges revoked.
- E-12 Obtaining electrical services by unauthorized means is prohibited.

F. PETS:

- F-1 All dogs are to be kept leashed and are not allowed to become an annoyance to the neighbourhood. Dogs must be supervised while in the common area, playground area, or in the lake. Dogs on tether must be contained within the User Area boundary. Pet Owners are required to clean up after their pets. A minimum fine of \$100.00 will be assessed to the User Area for not cleaning up dog feces. All pit bulls and other large dogs must be muzzled if they are unpredictable as to their reactions to strangers. Owners are limited to two

(2) pets (cat or dogs), or Management Board approved pets, per occupied User Area. Owners who are in contravention of any of the above shall remove their pets from the Resort at the request of the Management Board. Pet Owners are financially responsible for all costs incurred for damages caused by their dog or their guest's dogs. Management Board will access fines and cost recovery to User Area account if not paid voluntarily.

- F-2 Pets, such as highly protective and aggressive dog (i.e. Pit bulls and similar breeds), reptiles (i.e. Boa Constrictors, Pythons, venomous snakes and similar species), which may present a danger to persons, are not permitted in the Resort.
- F-3 Dogs are not allowed at the Common beach/swimming areas with exception while being actively walked on the walkway.

G. VEHICLES AND PARKING: (Includes cars, trucks, golf carts, boats and boat trailers)

- G-1 One parking spot (9 feet by 12 feet each) is required on each User Area, for the use of the Owner, Guest or Renter. There are designated parking areas for other vehicles. No vehicles are permitted to park on roadways **or common areas. No vehicle or cargo trailer is permitted to be used as an RV for living or sleeping in. Cargo trailers are not permitted to remain on a User Area for more than 14 days per calendar year without Management Board approval.**
- G-2 Guests bringing a vehicle into the park must be met by the Owner. All Guest vehicles are the responsibility and liability of the Owner.
- G-3 The speed limit on all roads of the Resort is 15 km/hr. Mini-bikes, go-carts, unlicensed off-road vehicles, mopeds, UTVs, all unlicensed gas and battery powered forms of transportation, (i.e. scooter, pocket bikes) (excluding battery powered scooters used by disabled persons) are not permitted to be used in the Resort.
- G-4 Vehicles not permitted in the Resort are vehicles, which, in the opinion of the Management Board, detract from the general appearance of the Resort. No inoperable or unlicensed vehicles are to be kept on the Resort. A User Area Owner may apply to the Management Board for permission to leave an unlicensed vehicle on his/her User Area with a storage insurance policy. Any unauthorized vehicle stored on a User Area not having prior Management Board approval may be towed, at the Owner's expense, and placed in a Bailiffs or Towing companies storage yard.
- G-5 Boats and boat trailers shall be kept on the Owners User Area or in the Boat Storage Compound. An Owner may apply to the Management Board for an alternate designated area. An occupied User Area shall be limited to two (2) usable boats or boat trailers or watercraft and units must be insured and licensed.
- G-6 Owners requiring space in the **boat parking compound** must make an application to the Management Board and pay an annual user fee specified by the Management Board. All boats and boat trailers **in the boat parking compound** must be in good working order, and appearance. All boats must be on a licensed trailer with valid insurance. **Boats must be actively used in the current year to avoid boat parking stall being reallocated. Any stall not being used will be sublet by the Management Board for up to two years to first name on the boat parking waiting list before it is permanently reallocated. Boat trailers must display a Management Board supplied decal with User Area #.** The Management Board is not responsible for any loss, damage or liability for boats, boat trailers or towing vehicles in the **boat parking compound**. The compound is for boat and boat trailer **parking** only. Towing vehicle must be removed from the **boat parking compound**. **Any units located in the boat parking compound, which do not comply with the above, will be removed at the Owners expense and placed in a Bailiffs or Towing Companies storage yard.**
